The figure consists of two circular diagrams. The left diagram shows a circle with an inscribed square and its diagonals. There are 16 points marked: 'a' through 'p'. Points 'a' through 'h' are on the outer circle, and points 'i' through 'p' are on the inner square and its diagonals. The right diagram shows the same circle with a 16-pointed star inscribed. The points 'a' through 'p' are marked at the vertices of the star and the intersections of its diagonals.

Red symbols indicate internal characteristics.  
Green symbols indicate external characteristics.
