## LABORATORY GROWN DIAMOND REPORT

The diagram is a diamond shape with a vertical axis on the left and a horizontal axis at the top. The vertical axis is labeled 'Medium' at the top and 'Long' at the bottom. The horizontal axis is labeled '65%' at the top and '49.5%' at the bottom. The diamond is divided into four sections by these labels. The top section is labeled '14.5%' and the bottom section is labeled '66%'. The diamond is oriented such that the top and bottom points are on the vertical axis, and the left and right points are on the horizontal axis.
